2018-2019 Course Load Change Form

Your initial financial aid offer was made based on the assumption that you will attend Salisbury University full-time if you are an undergraduate student (12 or more credits per semester). If you are a graduate student, your financial aid offer is based on full-time enrollment (9 or more credits per semester).

If you plan to be enrolled less than full-time your financial aid offer may require revision. Please indicate any change to your credit load and return this form to the Financial Aid Office. **If you do not indicate your enrollment plans for the spring semester we will assume it will be the same as the fall semester.** You may receive a new, revised financial aid offer based on your intended enrollment.
