Students will see your name, email and photo (if provided) to verify your identity.

Enter the Salisbury University email address of the Salisbury University student that you would like to connect to below. Email address should be in the format 'student@gulls.salisbury.edu' (not 'student@salisbury.edu').

NOTE to parents and family members of recently admitted students

If your student will enroll at Salisbury University in the coming semester, then the student connection feature will become available **after** they register for classes during orientation. Stay tuned for more information!

NOTE: Access granted or revoked in The Salisbury Family Experience may take up to 24 hours to take effect in all of Salisbury's systems, such as GullNet.

FERPA gives parents access to their child's education records, an opportunity to seek to have the records amended, and some control over the disclosure of information from the records. With several exceptions, schools must have a student's consent prior to the disclosure of education records after that student is 18 years old. [Understanding FERPA](#)

Connect to your Student

You're all set for now! We're working on getting your student's email account and records set up. Once we do, we'll notify you and send your connection request on its way!

7

Select which specific permissions you are requesting. You can request all or specific ones.

8

Select "Connect to your Student"

Connect to your Student

9

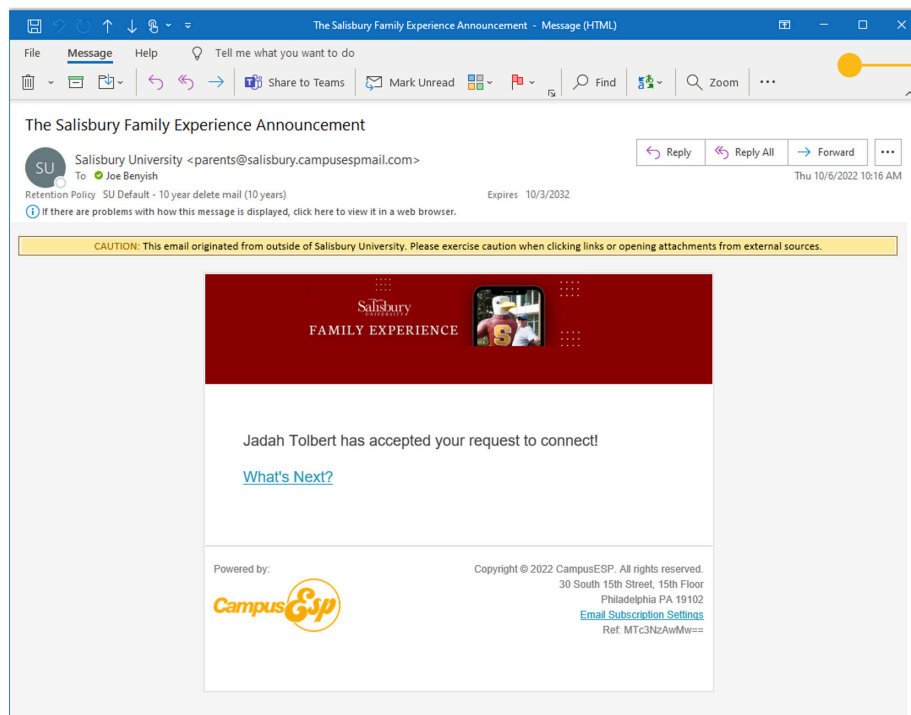

Once submitted, you will receive this message: The request will be sent to your student to approve. If your student approves the request, please note it will take up to 24 hours (from the time the student approves the request) for your tiles to update in the Family Experience Portal.

10

If approved, you will receive an email from the Family Experience Portal letting you know it was approved.

11

Once you receive this email, you will need to wait 24 hours to log back into the portal to view data about your connection.
