

## Request to Transfer Graduate Programs

The graduate student should indicate this request by completing section I and giving it to his/her current director of graduate programs (GPD). The current GPD should complete section II and send the signed form together with other pertinent information by sealed envelope to the proposed program. The receiving GPD will complete section III and forward the form to the Dean of Graduate Studies and Research for approval, distribution, and retention. The receiving GPD is responsible for obtaining separate approval, if required, from review committee. All original application materials can be provided by the Office of Graduate Studies and Research.

Students wishing to transfer from non-degree status to a degree granting program do not use this form. Those students must be formally admitted to Salisbury University and should contact the Office of Graduate Studies and Research at 410-548-3546.
