Salisbury University

1101 Camden Avenue

Salisbury, MD 21801-6860

A photograph of Holloway Hall, a white neoclassical building with two prominent columns. The name "HOLLOWAY HALL" is inscribed above the entrance. The building is surrounded by lush landscaping, including large bushes of yellow and purple flowers in the foreground and trees on the right. The scene is captured in warm, golden light, likely during the "golden hour" of late afternoon or early morning.

HOLLOWAY HALL
