- Staff Senate President: Jacqueline L. Eberts
- Student Government Association President: Jessica Dipietro

Mission

Salisbury University is a premier comprehensive Maryland public university, offering excellent, affordable education in undergraduate liberal arts, sciences, pre-professional and professional programs, including education, nursing, social work and business, and a limited number of applied graduate programs. SU's highest purpose is to empower its students with the knowledge, skills and core values that contribute to active citizenship, gainful employment and lifelong learning in a democratic society and interdependent world.

Salisbury University cultivates and sustains a superior learning community where students, faculty and staff engage one another as teachers, scholars and learners, and where a commitment to excellence and an openness to a broad array of ideas and perspectives are central to all aspects of University life. SU's learning community is student-centered; thus, students and faculty interact in small classroom settings, faculty serve as academic advisors and virtually every student has an opportunity to undertake research with a faculty mentor. SU fosters an environment where individuals make choices that lead to a more successful development of social, physical, occupational, emotional and intellectual well-being.

The University recruits exceptional and diverse faculty, staff, and undergraduate and graduate students from across Maryland, the United States and around the world, supporting all members of the University community as they work together to achieve the institution's goals and vision. Believing that learning and service are vital components of civic life, Salisbury University actively contributes to the local Eastern Shore community and the educational, economic, cultural and social needs of the state and nation.
