UNIVERSITY POLICIES

Salisbury University minors require:
• The completion of at least 18 credits with grades of C or better.
• At least 15 credits applied toward the minor must be coursework that is not used to satisfy General Education requirements.
• At least nine credits must be earned at SU.

Advisement for the minor is available from the Environmental Studies Department.

MINOR REQUIREMENTS

• Grades of C or better are required in all courses applicable to the minor.
• ENVR480 - Internship in Environmental Studies is optional, but highly recommended. Interested students should begin planning for the internship early by discussing it with their major advisor.
