

The International Education Committee is charged with reviewing the current policies and procedures related to Study Abroad, international exchange, and international student recruitment as well as their implementation and provide a report of their review to the Faculty Senate. The Committee's report should include specific recommendations (if any) in areas they feel there is a need for improvement. The Committee will report its findings and recommendations by the April 23, 2024 Faculty Senate meeting. The report is due to the Faculty Senate President by April 16, 2024.
