

Support A Salisbury University Education

"During my junior and senior years of high school I attended a few calculus and chemistry classes at Salisbury University. The personal atmosphere I encountered, created by the small classroom size and helpful professors, encouraged me to attend SU. The scholarships that I received from the Alumni Association and Henson School have made it possible for me to concentrate on my studies in chemistry instead of worrying about the financial responsibility of books and tuition. As a result, I have had the time to broaden my horizons by becoming a member of a couple of clubs on campus enjoying various club activities.

"I hope you'll continue to relish your fond memories of SU and make a gift to the Salisbury University Annual Fund this year. Your donation, will allow other students to have the same quality educational experience that you and I have been blessed with. Thank you for your firm support!"

For more information or to make a gift, visit our Web site at: www.salisbury.edu/univfund/ or call or write:
