

Support A Salisbury University Education

"Throughout high school, I knew that I wanted to attend Salisbury University to pursue degrees in political science and accounting. Such degrees would require a lot of hard work and commitment on my part, both in and out of the classroom. Being awarded scholarships from the Alumni Association and the Perdue School have allowed me to concentrate on my studies instead of worrying about the financial responsibility of tuition. In addition, being able to focus on my education has provided me the opportunity to broaden my college experience.

"Please make a gift to the Salisbury University Fund this year. Your donation, whether to a program or scholarship, will allow other students to have the same amazing educational experience that you and I have been able to enjoy."
