

Support A Salisbury University Education

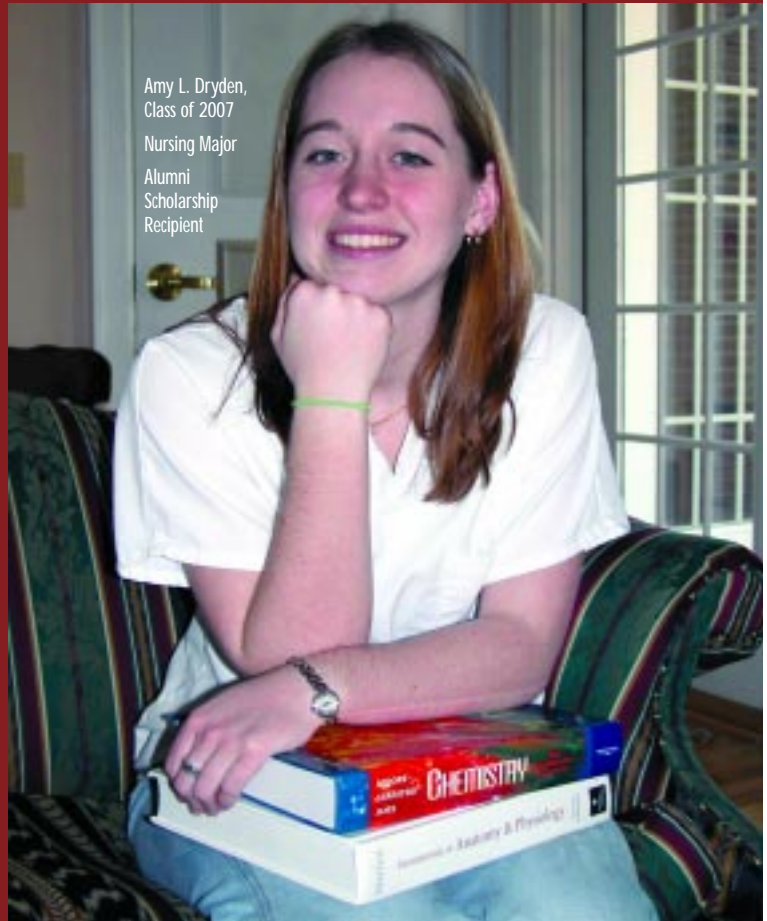

"When I was looking at colleges, I explored several different options. I always knew that I wanted to stay close to home, and Salisbury University was my first choice. The scholarship that I received from the Alumni Association has been extremely helpful in achieving my goal of graduating with a degree in nursing"

"The donations that alumni have made to SU have allowed me to receive this scholarship. Continued support of the Alumni Association, and the University as a whole, will allow other students like me to receive financial assistance throughout their college experience. Thank you for your support!"

By making a gift to the Salisbury University Annual Fund, you can support the many programs and scholarships available to SU students.
