Salisbury Symphony Orchestra  
Holiday Concert

## Dear Alumni And Friends Of Salisbury University...

Homecoming Football Game

I would like to take this opportunity to introduce myself ... I am Rosemary Thomas and I am glad to be here!

I am honored and extremely pleased to be serving as Vice President for University Advancement and Executive Director of the Salisbury University Foundation. I arrived on campus October 1, 2003, and must say that we have been going non-stop since that date. I am delighted to have an exceptional staff and privileged to be working with an impeccable group of committed volunteers.

There are so many exciting things happening on campus, throughout the communities we serve and among our more than 30,000 alumni. I had the

chance to meet several alumni in conjunction with Homecoming 2003 and at other events of the fall and holiday season. I was thrilled to see the intense loyalty and camaraderie that exists among Salisbury alumni of all ages and from all walks of life.

Salisbury University has much to be proud of ... a strong history of academic excellence, an outstanding tradition of success in athletics, a notable reputation for quality cultural offerings for the campus and community and dedicated people everywhere you turn. This University has gained national attention, recognition and rankings that are well deserved and in the future we will work toward even greater accomplishments.

Again, let me say that I am delighted to be here. I am looking forward to having the opportunity to meet more of our alumni during campus activities, athletic contests and at chapter meetings around the country. We certainly count on our many alumni and friends to support our advocacy and fund raising efforts to ensure the future success of Salisbury University.

Thank you for your continued interest, dedication and generosity.

Sincerely,

A handwritten signature in black ink that reads "Rosemary M. Thomas".
