Why I Support The Varsity Club

"I support the Varsity Club because this institution allowed me to not only get a good education but also to participate in sports such as basketball, baseball, soccer and indoor track on a college level. The Varsity Club is an opportunity for me to give back.

I was inspired to come to Salisbury University by former high school and college basketball coach Ward Lambert. Coach once said to me, "If you think you can and you believe in yourself, then you can achieve whatever you want." I remember those words, and I appreciate all the memories at Salisbury. I constantly refer back to my days at Salisbury with a smile. The Varsity Club allows me to play a small part with other athletes at Salisbury. It is my hope that they will have some memories of their own to look back on with a smile."

By making a gift to the Salisbury University Varsity Club, you can support the University's student-athletes and its athletic programs. Thank you.
