The purpose of ShoreCorps/PALS is to engage AmeriCorps members in direct service and capacity-building to address unmet critical community needs. Members serve full time (1700 hours), half-time (900 hours) or quarter-time (450 hours) for one year. Activities include tutoring, mentoring, conflict resolution and providing safe places to youth in in-school and after-school programs. AmeriCorps members also recruit community volunteers and strengthen the capacity of the organizations where they serve.

Your World. Your Chance to Make it Better!
