Helping to meet the critical needs in our communities!

Book Drive to Benefit the Village of Hope

The Village of Hope on Lake Street in Salisbury provides a transitional living program to economically disadvantaged residents of the Lower Shore of Maryland. ShoreCorps/PALS member Joana Weaver serves with the after-school program for children, offering tutoring, mentoring, and one-on-one caring relationships to kids.

Along with Executive Director Jasmine Rogers, Joana coordinated a Book Drive to supplement the VOH resources for kids. New or gently used children’s books can be dropped off at various locations in the community from March 17th through April 3rd. There is a special need for books for ages 9-12, but all donations are gladly accepted.

Drop off locations include the Village of Hope, Lower Shore One Stop Job Market, and Fruitland Primary School. Salisbury University drop off locations include the PALS office in SU’s Camden House, the Student Activities Office in the Guerrieri Center, and the Blackwell Library.
