A team can have a maximum of 6 players in the water at a time with a maximum of 4 players of either sex. A team must have at least 5 players to play. Unlimited substitutions are allowed, when the official stops play.

Player Equipment:
All players must wear appropriate swimming attire.

Game Time:
Games will consist of two 12 minute halves, running clock. There will be a two minute break at half time. Game time is forfeit time!

Start of Play:
A face-off will take place at the start of each game. Each team must stay on its own half of the pool against the wall. After a goal the team scored upon will be given the ball and the goalie will throw the ball back in to play. After half time the teams change ends and the face-off will start the second half.

Note: The goalie may not throw past half. The team has 15 seconds to bring the ball over half after the goalie puts it into play.
Ball Out of Play:
The ball is out when:
A. It has been thrown out of bounds
B. The game has been stopped by the referee

Scoring:
A goal is scored when the whole ball has passed over the goal line between the goal post and under the cross bar. A goal is worth 1 point. A goal may only be scored at least ten (10) feet from the goal. If a shot is attempted within ten (10) feet and goes in, it is considered no goal and is the goalies ball.

Throw-ins:
When the ball has completely crossed the sideline it is put back into play by a throw in from the spot where it went out and by a player from the opposite team that last touched it. A goal cannot be scored directly from a throw in. Throws must be taken with both hands, straight over the top of the head.

Goalkeeper:
The goalkeeper may not hold on to the sides of the pool. The ball cannot be passed over half the length of the pool by the goalie (37.5 feet). The goalkeeper is the only person that may block a goal attempt within ten feet of the goal.
