### OBJECTIVE

To apply my skills in GIS to real world geospatial intelligence fields

### EDUCATION

Bachelors of Science Degree

May 2009

Major: **Geography**, Earth and Atmospheric Track / Minor: History

Salisbury University, Salisbury MD

*(Worked 30-40 hours per week while carrying a full course load)*

### PROFESSIONAL EXPERIENCE

#### GIS Technician Intern

May 2008 - Present

Blackwater National Wildlife Refuge - Cambridge, MD

- Utilized Arc 9.2 software package to georeference the 1938 aerial photos of Blackwater National Wildlife Refuge. Digitized the amount of marsh that was present. Digitized the 2007 aerial photos of Blackwater National Wildlife Refuge by creating a layer file of the marsh to find the area lost by erosion between 1938 and 2007.
- Collected and georeferenced the 1938 aerial photos of Fishing Bay. Digitally converted the photos to display the amount of marsh present. Digitized the 2007 aerial photos of Fishing Bay in Cambridge to analyze the difference in burn years and the affect on biodiversity.

### WORK EXPERIENCE

#### Assistant Manager

May 2002 - Present

Dumser's Dairyland - Ocean City, MD

- Liable for cash control. Utilize time management to ensure proper management of facility. Handle customer and employee conflicts by using communication skills. Responsible for store output. Accountable for opening and closing procedures.

#### Departmental Aide

Winter 2008

Salisbury University - Salisbury, MD

- Organized and documented the Geosciences Department's map library. Scanned atlases into the campus database.

#### Merchandiser

October 2005 - July 2007

Bed Bath & Beyond - Salisbury, MD

- Worked as safety team member, bridal consultant, cashier, and merchandiser. Adapted well to individual customer needs. Held customer service as priority. Helped to create a productive and safe work environment. Produced creative merchandising.

### ORGANIZATIONS/ACTIVITES

Treasurer, Secretary, Member, **Geography Society**

2005 – Present

- Active member involved and assisted in Salisbury University events on behalf of the organization. Traveled nationally for professional development and participated in activities related to the major.

Participant, **Relay for Life**

2005 - 2007

- Raised money to donate to the American Cancer Society.

Member, **Assateague Mobile Sports Fisherman Association**

2007 - Present

Campaign Assistant, **Senator Richard Colburn**

2006 Election

- Attended community events to facilitate votes and raise campaign awareness.
