Position(s) Available	Internships
Hours	To be determined
Location	<p>Salisbury University MAGGS Fieldhouse 1101 Camden Avenue Salisbury, MD 21801 (410) 888-1234 (Approximately 85 miles east of Washington, DC)</p>
Position Requirements	<p>We promise our students the most complete, well rounded internship experience available. We treat them as staff members, not as college students. Our interns receive on-the-job training and are challenged daily to exceed expectations. Students receive honest feedback, advice, and guidance. We take personal interest in their professional development and preparation for life after college. We do everything in our power to assist students in their job search efforts after completing the internship. As an established company, we take pride in the career advancement of the students that come through our program. The major responsibility of the interns is to create educational programs that will get our campers involved both physically and mentally.</p> <p>Please take a moment to read a detailed description of our Internship Program.</p> <p>We offer Internships during the two summer semesters of the school year, and require resumes to be submitted for review by the following dates: <i>Summer I Semester May 15, 20XX</i> <i>Summer II Semester June 1, 20XX</i></p> <p>If you have any questions, please don't hesitate to call or email the Salisbury University MAGGS Fieldhouse. Joe Smith - HR & Finance Manager seagulls@salisbury.edu 410-555-1234</p>
How to Apply	<p>Please email your application and resume to Joe Smith, Human Resources & Finance Manager - seagulls@salisbury.edu</p>

Who Should Apply

All majors are encouraged to apply. This is ideal for sophomore through senior year students and is especially ideal for Exercise Science, Physical Education and Education majors.
