Career Services Commuter Survey Results-April, 2012
(Information gathered at a speaking engagement at the Commuters Luncheon-seven people attending)

- When asked if you used CS Services-6/7 people have used the Career Services
- The six students that used Career Services have used our services for: Searching for jobs and internships, Resume building, Personal statement and info on letters of recommendations, and Grad assistant searches
- Out of the 6 people who have used Career Services, 5 people were satisfied with our services, 1 was not because the job alerts aren’t updated.
- 1 person has never been exposed to the Career Services until today
- When asked what our top three services where, on a scale of 1 to 3, 1 being the top choice:
  Number 1 response varied-see below:
  - 2 people: job search assistance
  - 1 person: graduate professional school assistance
  - 2 people: on campus job postings
  - 2 people: full time career-related job postings

  Number 2 responses varied-see below:
  - 3 people said resume/cover letter assistance
  - The other 4 selected: help finding internships, full time career related job postings, job internship fairs, and on campus job postings

  Number 3 responses varied-see below:
  - eRecruiting, Interviewing assistance/mock interview, graduate/professional school assistance, Career counseling/Self Exploration/Interest Inventories, Major Exploration, Full-time career related job postings, and Mentor Network

- When asked if our hours meet their needs- 6/7 people answered yes
  - The one person that answered no said they would like evening extended hours
- Comments/Questions-Open-end question responses:
  - Publicize resources available to Fulton school students
  - Put workshop videos online and developing the mentor network
  - To provide better and/or more accessible event and make on campus opportunities more accessible/available to commuter students
