- State of New York permanent physician's license – July 2000
- Advanced Cardiac Life Support – re-certified June 2000
- Neonatal Advanced Life Support – re-certified June 2000
- PALS – re-certified June 2000

## PROFESSIONAL EXPERIENCE

---

Acted as **senior resident on call** for internal medicine service after receiving permanent license.

- Supervised Transitional Medicine resident with patient admissions to internal medicine teaching service and assisted intern with acute-care issues for current hospital patients.

**Team Physician** for Westside High School

- Provided medical coverage for home games to football and basketball teams for two years.
- Performed pre-participation sports physicals at local area high schools in conjunction with serving as a team physician.

**Liaison** with pharmaceutical company representatives, McAfee Family Practice Center Drug Room

- Oversaw management of medication inventories and interfaced with pharmaceutical company representatives to review which new medications should be added to the formulary.

## COMMITTEES & ACTIVITIES

---

### Chair, Family Medicine Service Committee

- Chaired committee during second year of residency and oversaw organization of system to ensure balance of service and education on the family-medicine in-patient service.

### Mentor and informal instructor, McAfee Family Practice Clinic

- Instructed third- and fourth-year medical students

### ICU committee

- As an intern, assisted in developing curriculum/schedule for new interns in Intensive Care Unit. As a senior overseeing the ICU, taught family-practice and transitional interns topics pertinent to the setting.

### Recruitment Committee

- For three years of residency, participated in selecting upcoming class of residents.

### Nursing Home Patients

- Managed nursing-home patients during second and third years of residency.

### McAfee House Call Program

- Participated in program that offered medical care to homebound patients.

### Riverside High School Clinic

- Assisted in providing medical care to high-school students at school clinic.

### Manhattan Council of Aging

- As an intern and third-year resident, helped provide care to senior citizens at clinic.

### Secretary and Treasurer of the NYU School of Medicine Chapter, Physicians for Social Responsibility

- Joined in sponsoring events aimed at encouraging medical students to take an active role in their community.

### Family Practice Rotation Review Committee

- Participated in group formed by New York University School of Medicine's Core Curriculum Authority to review family practice rotation; five student members and the head of the Family Medicine department collaborated to develop improved rotation.
