Current Position

Postdoctoral Research Associate 2004-Present	University of Pennsylvania School of Medicine Department of Psychiatry Division of Weight and Eating Disorders
---	--

Education

Ph.D. 2004	University at Albany, the State University of New York, Albany, NY Clinical Psychology, APA Accredited
---------------	---

Predoctoral Internship August 2003-July 2004	Medical University of South Carolina and the Department of Veterans Affairs Medical Center Consortium, Charleston, SC Behavioral Medicine Track, APA Accredited
---	--

Master of Arts 2001	University at Albany, the State University of New York, Albany, NY Clinical Psychology, APA Accredited
------------------------	---

Bachelor of Science 1999	Oklahoma State University, Stillwater, Oklahoma Psychology Magna Cum Laude
-----------------------------	--

Honors and Awards

Association for Advancement of Behavior Therapy, Obesity and Eating Disorder Special Interest Group Student Researcher Award, 2004
Phi Kappa Phi National Honor Society, Oklahoma State University, 1999
Psi Chi National Psychology Honor Society, Oklahoma State University, 1998
Oklahoma State University General Honors Award, 1997

Certifications and Training

New England Educational Association Cape Cod Symposium, Training in mindfulness meditation conducted by Marsha Linehan, Ph.D., 2002
Behavioral Activation for Depression, Training conducted by Michael Addis, Ph.D., 2002
Cooper Institute, Training in lifestyle physical activity for weight loss, 2002

Research Interests

Obesity
Night Eating Syndrome
Eating Disorders
Body Image

Research Experience

- Postdoctoral Research Associate
August 2004-present
University of Pennsylvania School of Medicine
Department of Psychiatry, Division of Weight and Eating Disorders
Project: Characterizing the Night Eating Syndrome, Sponsor: National Institutes of Health; RO1 DK056735-05
Supervisor/PI: Albert J. Stunkard, M.D.
- Psychology Intern
2003-2004
Charleston Consortium Psychology Internship Program
Projects:
(1) Smoking Status and Weight Loss
(2) Metabolic Syndrome and Weight Loss
Supervisor: Patrick M. O'Neil, Ph.D.
- Graduate Research Assistant
1999-2003
University at Albany, Department of Psychology
Major Projects:
(1) Mindfulness-Based Behavioral Treatment for Obesity
(2) Lifestyle Challenge Behavioral Weight Loss Program
(3) Sibutramine Randomized Clinical Trail for Binge Eating Disorder
(4) Impact of General and Body-Specific Anxiety on Body Image
(5) Impact of Teasing History in an Underweight Population
(6) Correlates of Weight Gain During the Freshman Year of College
Supervisor: Drew A. Anderson, Ph.D.
- Undergraduate
Research Assistant
1998-1999
Oklahoma State University, Department of Psychology
Project: Impact of Sexual Assault and Alcohol Use on Re-Victimization
Supervisor: Brian Marx, Ph.D.

Undergraduate
Research Assistant
1997-1999

Oklahoma State University, Department of
Psychology

Projects:

(1) Emotional Expressivity Versus Experienced
Emotion in High Trauma, Low Trauma, and No
Trauma Populations

(2) Impact of Stressful Life Events on Cognitive
and Emotional Processing and Behavior

(3) Impact of Major and Minor Life Events on
Current Functioning

Supervisor: Susan M. Orsillo, Ph.D.

Grants Funded

October 2002	University at Albany Department of Psychology Graduate Research Grant, \$1,000.00
September 2002	University at Albany Graduate Student Organization Research Grant, \$420.00
February 2001	University at Albany Graduate Student Organization Research Grant, \$650.00
February 2001	University at Albany Department of Psychology Graduate Research Grant, \$500.00
October 2000	University at Albany Graduate Student Organization Travel Grant, \$400.00

Grants Submitted

March 2006	University of Pennsylvania, University Research Foundation Title of Project: Studies of Night Eating Syndrome in a Swedish Twin Population; Amount: \$49,193 Role: Co-Investigator; Under review
November 2005	University of Pennsylvania Genomics Institute Seed Grant, Title of Project: A Study of Night Eating Syndrome in a Swedish Twin Population, Amount: \$88,658 Role: Co-Investigator; Outcome: Not funded
November 2005	University of Pennsylvania, University Research Foundation Title of Project: A Study of Night Eating Syndrome in a Swedish Twin Population; Amount: \$48,100 Role: Co-Investigator; Outcome: Not funded

Grants in Preparation

To be submitted October
2006

National Institutes of Health/National Institute of Diabetes
and Digestive and Kidney Diseases
Title of Project: Eating Patterns and Associated Health
Outcome among US Adults Enrolled in NHANES III
Mechanism: PA 06-151, R21
Role: Co-Investigator

Teaching Interests

Psychopathology/Abnormal Psychology
Obesity and Eating Disorders
Health Psychology
Cognitive-Behavioral Theory and Therapy
Journal Club and Scientific Writing

Teaching Experience

Instructor

Abnormal Psychology, University at Albany, May 2003
Child Behavior Disorders, University at Albany, May 2001
Introduction to Psychology, University at Albany, May 2001

Co-lecturer

Psychiatry Clerkship (4th year medical students), Medical University of South Carolina,
February 2004-April 2004

Guest Lecturer

Psychiatry Clerkship (2nd year medical students), University of Pennsylvania School of
Medicine; Lecture on Eating Disorders, March 2006
Psychiatry Clerkship (2nd year medical students), University of Pennsylvania School of
Medicine; Lecture on Eating Disorders, December 2005
Mad, Bad, and Sad: Defining, Preventing, and Treating Mental Disorders in Children,
University of Pennsylvania; Lecture on Eating Disorders and Obesity among
Children and Adolescents, October 2005
Psychiatry Clerkship (2nd year medical students), University of Pennsylvania School of
Medicine; Lecture on Eating Disorders, March 2005
Psychiatry Clerkship (2nd year medical students), University of Pennsylvania School of
Medicine; Lecture on Eating Disorders, January 2005
Prevention and Treatment of Mental Disorders, University of Pennsylvania; Lecture on
Eating Disorders and Obesity, December 2004
Abnormal Psychology, University at Albany; Lecture on Anorexia Nervosa and Binge
Eating Disorder, March 2000

Pedagogy Training

Mentor the Mentor Seminar Series, University of Pennsylvania, Spring Semester 2006
Graduate Teaching Assistant Practicum, University at Albany, September 2000-
December 2000

Undergraduate Teaching Assistant, Abnormal Psychology, Oklahoma State University,
August 1998-December 1998

Supervisory Experience

Research Assistant Supervisor, University of Pennsylvania School of Medicine,
Department of Psychiatry, Division of Weight and Eating Disorders, August
2004-present

Undergraduate Research Assistant Supervisor, University at Albany, 1999-2003

Clinical Experience

Postdoctoral Associate
August 2004-present

University of Pennsylvania School of Medicine,
Department of Psychiatry, Division of Weight and Eating
Disorders; Administered the Structured Clinical Interview
for DSM-IV and the Eating Disorder Examination;
Provided treatment for multi-site obesity treatment
outcome study (The Safety and Efficacy of Low and High
Carbohydrate Diets; R01 AT01103-01)
Clinical Supervisors: Kelly C. Allison, Ph.D. & Gary
Foster, Ph.D.

Psychology Intern
August 2003-July 2004

Charleston Consortium Psychology Internship
Program
Rotations: Weight Management Center, Medical
University of South Carolina Counseling and Psychological
Services, Behavioral Medicine, and Neuropsychological
Assessment Clinic
Supervisors: Patrick M. O'Neil, Ph.D, Alice Q. Libet,
Ph.D., & Mark T. Wagner, Ph.D.

Psychology Trainee
September 2002-May 2003

University at Albany Counseling Center,
Provided psychotherapy to University students
Supervisor: Judith A. Stanley, Ph.D

Psychology Trainee
August 2001-May 2002

University at Albany Counseling Center,
Provided psychotherapy to University students
Supervisor: Joseph Bernier, Ph.D.

Psychology Trainee
September 2000-
May 2001

University at Albany Psychological Services Center,
Provided psychotherapy to community outpatients,
Supervisors: Sharon Danoff-Burg, Ph.D. & John Forsyth,
Ph.D.

Clinical Research Assistant
March 2000-
September 2000

Albany Medical Center and University at Albany,
Sibutramine clinical trial sponsored by Knoll
Pharmaceutical Company; Administered Eating Disorder
Examination for the assessment of Binge Eating Disorder

Supervisor: Drew A. Anderson, Ph.D.

Clinical Research Assistant Albany Medical Center and the University at Albany,
September 1999- Behavioral Weight Loss Group Treatment Provider;
February 2002 Facilitated three 20-week treatment programs

Volunteer Laureate Psychiatric Hospital and Clinic, Tulsa, OK
June 1998-July 1998 *Supervisor:* Mary Holley, Director of Volunteer Services

Editorial Experience

Editorial Positions

Editor-in-Chief, Association for Advancement of Behavior Therapy Student Special
Interest Group Newsletter, 2001-2002

Associate Editor, Capitol Region Association for Eating Disorders Newsletter, 2000-
2001

Ad hoc Reviewer
