Help take the **stress** out of **paying for school!**

Dear Student,

Salisbury University understands that sometimes you need some help getting the tuition bill paid. That's why we offer tuition payment plans administered by Sallie Mae®. Payment plans are convenient, manageable payment solutions that give you the option to pay tuition in interest-free monthly installments, rather than one lump sum. Tuition payment plans offer:

- **MORE TIME TO PAY.** Spread your tuition payments over a period of several months.
- **INTEREST SAVINGS.** Use a payment plan in place of a traditional student loan to make monthly payments, **interest free.** You can also use a plan in conjunction with traditional student loans and financial aid.
- **CONVENIENCE.** You can enroll in a plan, manage your account and make payments online, 24 hours a day.

YOU CAN ENROLL IN A TUITION PAYMENT PLAN TODAY! Students who pre-registered for classes by August 1, 2010 have a 4-payment plan option only, with the first payment due by August 2, 2010, and subsequent payments due on September 3, 2010, October 1, 2010 and November 1, 2010. Students who register for classes during the August open enrollment period have a 3-payment plan option only, with the first payment due by September 3, 2010, and subsequent payments due on October 1, 2010 and November 1, 2010. The deadline to enroll in a tuition payment plan is September 3, 2010. There is a \$50 non-refundable application fee to enroll in the tuition payment plan.
