PERDUE SCHOOL OF BUSINESS

► Accounting, Business Administration, Economics, Marketing

Students not majoring in accounting, business administration or management information systems may minor in business administration or marketing management. Students not majoring in accounting may minor in accounting. Students not majoring in economics may minor in economics. Minors in accounting, business administration, economics and marketing management consist of 18 credits, 15 of which cannot be used to satisfy General Education requirements.

For each minor, a minimum of nine credits must be taken at Salisbury University. Each course in the minor must be completed with grades of C or higher.

Accounting

For more information see the Perdue School advising coordinator.

This program provides students with a basic core accounting background. For non-accounting business majors, the minor would provide excellent credentials for those seeking careers in organizations or occupations where a background in accounting and budget administration is important. In addition, the minor could be utilized by non-accounting business majors to fulfill the necessary accounting prerequisites for entry into the accounting track of the M.B.A. program at SU. By selecting the appropriate accounting electives in the minor and in the M.B.A. program, these students would satisfy both the current course requirements and the current credit hour requirements established by the state of Maryland to sit for the CPA exam. The minor would also be useful for non-accounting majors seeking other prestigious certifications such as the CFM (Certificate in Financial Management).

The minor in accounting could be utilized by non-business majors in establishing credentials for their careers. The minor in accounting consists of 18 credits, any of which may be used to fulfill other Perdue School requirements. Nine of the 18 credits must be completed at SU and at least 15 credits applied toward the minor cannot be used to satisfy General Education requirements. All courses in the minor must be completed with a C or better. Only those courses listed as fulfilling the minor are accepted.

1. Required accounting courses:

	Credits
ACCT 201 Principles of Accounting I	3
ACCT 202 Principles of Accounting II	3
ACCT 302 Cost Accounting I	3
ACCT 304 Intermediate Accounting I	3

2. Required accounting elective, one course from the following:

	Credits
ACCT 305 Intermediate Accounting II*	3
ACCT 341 Federal Income Tax Accounting: Personal	3
ACCT 420 Accounting Information Systems	3
ACCT 430 International Accounting	3
ACCT 435 Accounting in its Global Setting	3

* Students must pass the Accounting Program Admission Test (APAT) prior to enrolling in ACCT 305.

3. Required elective, one course from the following:

	Credits
FINA 104 Personal Finance	3
FINA 311 Financial Management	3
MGMT 320 Management and Organizational Behavior	3
INFO 211 Information Systems Concepts	3

The accounting minor is open to any non-accounting major at SU.

Accounting minors must register in advance with the director of academic service in the Perdue School.

Business Administration

For more information see the Perdue School advising coordinator.

This program provides general exposure to business administration. It is intended to help prepare non-business majors for employment in business organizations or to gain entrance into M.B.A. programs. Students who complete the appropriate electives within the business administration minor

within the baccalaureate programs and meet M.B.A. program admissions standards can obtain the Perdue School M.B.A. degree in as little as one calendar year of graduate study (i.e., 4+1 program). Perdue School M.B.A. program prerequisite courses are listed in the section following the business administration minor requirements. Students intending to pursue M.B.A. programs at other institutions should consult the entrance requirements of the schools they expect to attend. At least 15 credits of coursework applied toward the minor cannot be used to satisfy General Education requirements and at least nine credits must be completed at SU. All courses applied toward the minor must be completed with grades of C or better.

Environmental/Land-Use Planning

For more information see the Geography and Geosciences Department.

This interdisciplinary minor provides an opportunity for students interested in environmental issues and problems to complement their major, further strengthen and diversify their undergraduate education, and enhance the range of career opportunities available upon graduation. While interdisciplinary in nature, this minor specifically emphasizes the application of scientific procedures and technological skills to solve environmental land-use problems.

Salisbury University requires that at least 15 hours of work applied toward a minor must consist of courses not used to satisfy General Education requirements and at least nine of these hours must be credits earned at the University. In addition, a grade of C or better is required in all courses applicable to the minor. Geography and geosciences majors cannot receive credit for an interdisciplinary minor in environmental/land-use planning. Instead, they may complete the

Environmental/Land-Use Planning Track within the geography and geosciences major. For more information contact the Department of Geography and Geosciences.

Successful completion of the interdisciplinary minor requires the following:
