

Environmental and Land Use Planning Minor Checklist

Name: _____

ID: _____

Date: _____

The minor in Environmental and Land Use Planning requires the completion of at least 18 credit hours of which 15 hours are not counted for General Education, and at least nine hours are earned at Salisbury University. All courses applicable to the minor must be completed with a “C” or better. Geography majors are not eligible to earn a minor in environmental and land use planning. Instead they may complete the Environmental and Land Use Planning track within the Geography and Geosciences major.
