The European studies minor is an interdisciplinary area studies program with a study abroad requirement, as well as the opportunity to complete most of the minor via a semester abroad at a foreign SU partner institution.

Complete two courses in non-English European languages or prove non-English European language proficiency via placement exam or interview.

At least one course for the minor must be completed while studying in a European country. No more than nine transfer credits may count toward the minor. (Note: Students may count four courses/16 credits completed via the Salisbury Abroad: Estonia semester study abroad program toward the minor, as these are not transfer credits, but SU courses executed abroad via SU's partner institution in Europe.)

Only one course may be used to meet a General Education requirement. Grades of C or better are required in all courses applicable to the minor.

Complete five courses from the following. Courses must be taken in a minimum of three different areas:
