**Please note:**

1. In planning their program, students should check the Catalog information for specifics of each course and the Course Offering Rotation Proposal at ([www.salisbury.edu/nursing/MS.html](http://www.salisbury.edu/nursing/MS.html)).
2. All students must complete either NURS 590, NURS 591, or NURS 592. Approval of Committee Chair is required for registration.
  - a) **NURS 590 Thesis** - variable credit - may register for 1-3 credits for a total of 3 credits. Students must be registered for at least 1 credit in NURS 590 in the semester that they defend the thesis.
  - b) **NURS 591 Capstone Project** - variable credit - may register for 1-3 credits for a total of 3 credits. Students must be registered for at least 1 credit in NURS 591 in the semester that they present at Graduate Scholarship Night.
  - c) **NURS 592 Internship** - 3 credits - Students must complete all practicum courses prior to registering for NURS 592.
