

MINOR IN CHEMISTRY

The Department of Chemistry offers a minor in chemistry. A chemistry minor is available for students in other majors seeking official recognition for courses taken in chemistry. Specific requirements for the minor are as follows:

Complete the following core:

	Credits
CHEM 121 General Chemistry I	4
CHEM 122 General Chemistry II (Prereq: CHEM 121)	4
CHEM 221 Organic Chemistry I (Prereq: CHEM 122)	4
CHEM 222 Organic Chemistry II (Prereq: CHEM 221)	4

plus at least three credit hours in Chemistry from the 300 or 400 level.

A student seeking a minor in chemistry must fulfill the above requirements with grades of C or better in all courses.

At least 15 credits of the minor must consist of courses which are not used to satisfy general education requirements and at least nine of these hours must be credits earned at SU.
