

GEOGRAPHY AND GEOSCIENCES
 MASTER OF SCIENCE IN GIS AND PUBLIC ADMINISTRATION

NAME _____ SID _____ DATE _____

The Master of Science in Geographic Information Science (GIS) and Public Administration requires the completion of at least 34 credit hours, of which at least 21 credit hours are earned at Salisbury University. The program must be completed with a cumulative average of a B (3.0) or higher, with no more than 6 credit hours below a grade of B and no grade lower than a C.

Courses in Public Administration (PUAD) are offered on-line to SU students by the University of Baltimore's Master of Public Administration program. PUAD courses will be taken via inter-institutional registration (see *SU Undergraduate & Graduate Catalog*, pg. 17) and will be treated as credits earned at SU. Upon entering the MSGISPA program, students will work closely with the program director to identify which electives meet their educational goals and will be guided through the inter-institutional registration process.
