Sea Gull Stadium
Sea Gull Stadium is equipped for field hockey, football, men's lacrosse and women's lacrosse teams. The stadium received a new playing surface in the summer of 2007 when A-Turf replaced the old grass field. Along with a new field the stadium received new lights. The new playing surface allows soccer programs to use the stadium when there are poor playing conditions at the SU Soccer Complex.

The stadium has a seating capacity for 2,500 spectators.

Baseball Field
The SU baseball field features an astro-turf infield with dirt cut outs for home plate, first, second and third bases and the pitcher’s mound. The infield surface allows teams to practice when the weather is bad. The outfield is natural grass.

There is an enclosed and heated press box, bleachers for fans and in the fall of 2007 a new state of the art scoreboard was put in left field.

Softball Field
The SU softball field is nestled behind rows of pine trees and features an enclosed and heated press box, a sound system and a new electronic scoreboard. There are bleachers located behind home plate and along the right field line for fans.

Soccer Complex
The SU Soccer Complex can seat 500 in the bleachers and there is room for hundreds to sit on the hill across from the benches. The fields offer an enclosed press box, a sound system and new electronic scoreboards. The complex is surrounded by a fence.

Maggs Center
The Maggs Physical Activities Center features a main gymnasium on the lower level which is home to basketball and volleyball courts. The main gym can seat over 2,300 fans and features a press box, wireless Internet, sound system and an electronic scoreboard.

Other amenities include men’s and women’s locker rooms, weight room, fitness center, dance studio, racquetball courts auxiliary gym, and a six-lane pool which is 25 meters in distance.

Other Athletic Facilities
Athletics facilities also include:
• Practice fields
• An all-weather 400-meter track
• Lighted intramural fields
• Two sand volleyball courts
• 12 outdoor tennis courts featuring plexi-pave surfaces with six lighted for night play
• Three indoor tennis courts

For Spectators
A three-level parking garage on the corner of Wayne Avenue and Bateman Street provides the university with an additional 850 parking spots.
