SU policies that apply to the Doctoral Fellowships

Total award of aid: Salisbury University will not award or disburse a combined total of federal, state, institutional and/or private scholarships that exceeds a student's cost of attendance unless all of the funding comes from a private external source. The cost of attendance is a standardized budget including tuition, fees, room, board, and allowances for indirect costs such as books, transportation and personal expenses. Whenever a student's total aid package exceeds the cost of attendance, the Financial Aid Office will adjust or reduce aid offered by the university.

Cancellation: A student who withdraws, cancels, becomes inactive, or is suspended or dismissed from the University will forfeit his/her scholarship eligibility for future semesters. Students who are withdrawn completely from classes during the tuition refund period will have their scholarship and institutional aid amounts prorated based on the tuition proration schedule.

Disbursement: The total annual award will be allocated over three disbursements, one at the beginning of Fall, Spring, and Summer
semesters.

Confirmed aid recipients who pre-register (thereby generating an early bill) will receive financial aid credit directly on the statement of fees. If you are due a refund it will be available approximately 5 days prior to the beginning of the semester.

Recipients who must register in person (thereby generating a bill at the time of registration) will receive any refund amount due after all charges have been deducted. (allow 10-15 days). Adjustments require additional time.
