

SALISBURY UNIVERSITY
 INTERDISCIPLINARY MINOR IN ENVIRONMENTAL ISSUES
 MINOR CHECKLIST – 18 CREDIT HOURS

Students in this minor, which consists of 18 credit hours, must take six courses from the list below. Please note the number of courses required from each of the first four categories. Be aware that many of the courses have prerequisites. The prerequisites for each course are listed in the undergraduate catalogue. The internship is optional, but highly recommended. Begin planning for the internship the semester before you wish to enroll for it. Special topic courses may sometimes be offered which are applicable for credit in this minor. For more information contact Dr. Joan Maloof, the coordinator of the minor.
