

GEOGRAPHY AND GEOSCIENCES
MASTER OF SCIENCE IN GIS AND PUBLIC ADMINISTRATION

NAME _____ SID _____ DATE _____

The Master of Science in Geographic Information Science (GIS) and Public Administration requires the completion of at least 34 credit hours, of which at least 21 credit hours are earned at Salisbury University. The program must be completed with a cumulative average of a B (3.0) or higher, with no more than 6 credit hours below a grade of B and no grade lower than a C.

Additional electives are offered on-line to SU students by the University of Maryland, University College's Master of Science in Technology Management program. TMAN courses will be taken via inter-institutional registration (see *SU Undergraduate & Graduate Catalog*, pg. 17) and will be treated as credits earned at SU. Upon entering the MSGISPA program, students will work closely with the program director to identify which electives meet their educational goals and will be guided through the inter-institutional registration process.

<u>Course#</u>	<u>Course Title</u>	<u># of Credits</u>	<u>Grade</u>	<u>Campus?</u>
----------------	---------------------	---------------------	--------------	----------------

1. Complete the following twenty-five (25) credit hours:

GEOG 519	Advanced Geographic Information Science	4	_____	_____
POSC 540	Public Administration	3	_____	_____
INFO 686	Database Processing & Management	3	_____	_____
GEOG 619	Managing GISystems	3	_____	_____
GEOG 630	GISystems and Public Administration	3	_____	_____
GEOG 640	GISystems Co-operative Experience	6	_____	_____
GEOG 650	Capstone GISystems Seminar	3	_____	_____

2. Complete nine (9) credit hours in elective courses:

POSC 580	Leadership in Public Administration	3	_____	_____
INFO 555	Project Management in the Public Sector	3	_____	_____
TMAN 611	Principles of Technology Management	3	_____	UMUC
TMAN 614	Strategic Management of Tech and Innovation	3	_____	UMUC
TMAN 625	Economics and Financial Analysis for Tech Managers	3	_____	UMUC
TMAN 632	Organizational Performance Management	3	_____	UMUC
TMAN 633	Managing People in Technology Organizations	3	_____	UMUC
