As a member of the Maryland Educational Enterprise Consortium (MEEC), Salisbury University established a software licensing agreement, with Microsoft called the Microsoft Education Enterprise Agreement. SU has participated in this licensing agreement for over a decade.

The Microsoft Education Enterprise Agreement, commonly referred to as MEEC, gives SU students, faculty and staff the opportunity to access Microsoft's computer software through the campus network. SU students, faculty and staff are also able to purchase the discounted Microsoft software for their home computers.

**Office 365 University**

Office 365 University is a four-year subscription for full- and part-time enrolled university and college students, faculty, and staff in accredited institutions. Alumni of these institutions are ineligible.

**The newest from Office.**

Office 365 University has the latest version of the applications you know and love, plus cloud services so you can have Office when and where you need it. Just sign in and you can get to your Office files, applications, and settings from virtually anywhere.

Best value for higher education students and faculty who want Office on up to 2 PCs and Windows 8 tablets, Macs. Proof of eligibility is required online before use.
What it includes:

- Install on up to 2 PCs and Windows 8 tablets, Macs.\(^1\)
- The latest versions of Word, Excel, PowerPoint, Outlook, OneNote\(^2\), Publisher\(^2\), and Access.\(^2\)
- An extra 20 GB of online storage in OneDrive for anywhere access to your documents.\(^3\)
- 60 minutes of Skype™ calls to phones in 40+ countries every month.\(^4\)
- Full, streamable versions of Office on any PC with Office on Demand.\(^5\)
- Convenient four year subscription with automatic upgrades included so you’re always up to date with the latest features and services.

Now your Office works where you do – on campus or off.

- Be more productive with a full version of Office, no matter where you are.
- Sign in to get Office on your PC and Windows 8 tablet, Mac.\(^1\)
- Sign in to your Microsoft account to get to your documents, applications, and settings.
- You’ll always have the latest features and services, thanks to automatic version upgrades.

Sharing and communicating is easier.

- Get all the latest email, scheduling, and task tools in Outlook.
- Use OneNote to capture and share notes, pictures, web pages, voice memos, and more.\(^2\)
- Allow others to read and scroll through your Word docs in real time through a browser, even if they don’t have Word.

Your favorite applications are smarter, too.

- Incorporate content from PDFs into Word documents quickly and easily.
- Add pictures, videos, or online media to your documents with a simple drag and drop.
- Create more visually compelling presentations with widescreen themes in PowerPoint.
- Find meaning in numbers faster with the Quick Analysis Lens and Chart Animations in Excel.
