

Copyright Permission Form For Student Papers/Projects

U.S. Copyright Law provides copyright protection for any work by an author, including student authors. A student owns the copyright to their papers. Use of copies of student papers or projects requires written permission from the student author, which must be obtained by the faculty member before the item may be made available on eReserves.

I, _____
(Print full name)

(Print permanent address: Street, City, State, Zip)

give permission to post a copy of my paper/project on eReserves at Salisbury University titled:

This copy may be available to the community for _____
semesters.

Signed: _____ (Student)

Date: _____

Signed: _____ (Instructor)

Date: _____
