

## *GullWorks Studios at Salisbury University*

### **Spring 2009 Sammy Awards New Media and Digital Photography**

The Sammy Awards have been established to recognize student excellence in the creation of digital media. Students will be recognized annually for their work in the following categories:

**New Media**                      *coordinated by Mr. Preston Poe*  
**Digital Photography**        *coordinated by Mr. Dean Peterson*

Student projects may be submitted by an individual or a group. Criteria for projects may be obtained from the category coordinator. Projects will be judged by jury and announced at the *Sammy Awards* in May 2008.

Winners will be recognized with a trophy, a \$250 prize, and will have their names listed on a plaque permanently on display in the studio trophy case.

**Projects must be submitted by April 17, 2009.**

#### **Submission requirements:**

1. Projects must be submitted in digital form on CDs or DVDs.
2. All media must be clearly labeled with the title of the production (as listed on the entry form) and the name and email address of the creator.

## Entry Form

### Contact information:

For team entries, please list the co-authors of the work and their contact information on a separate page.
