

The Citizen Action Network on the Shore is once again coming to the forefront. We have made some changes, but we are still much alive!

Let us re-introduce ourselves to you. We are a volunteer center, located on the beautiful campus of Salisbury University. We are here to help raise awareness in our community of the need for volunteering and to help meet that need.

If you're an agency and you have a volunteer need, submit that information to our office. We will post it in our listing in the local newspaper. Then the community can see

your need and choose to meet that need, as well as becoming aware of your agency's operations.

If you have a need for volunteers, or if you're a student needing to fulfill community service requirements, or maybe you just want to make a difference in your community, we are here for you. Check us out!

Contact Toneisha Harris at 410-546-6015, voice; 410-546-6910, fax; ShoreCAN@salisbury.edu, e-mail. The possibilities truly are endless.

SHORE CAN (CITIZEN ACTION NETWORK) MARCH VOLUNTEER NEEDS

Shore CAN empowers individual citizens and Service Partners to decide how best to make a difference in their communities by matching themselves with Agency Partners. Agency Partners are responsible for screening, training and supervising volunteers and volunteers are solely responsible for their conduct.

Youth service opportunities are coded with the letter "Y" followed by a number that represent the minimum age for volunteers for that particular project. Shore CAN is sponsored by Salisbury University.
