

**Salisbury University Department of Nursing
REQUEST TO ENROLL FORM**

PART A of the Admissions process:

All students requesting to begin the junior-level (upper division) nursing courses **MUST** first be accepted to Salisbury University. Acceptance to the University does **NOT** guarantee acceptance to begin the junior level (upper division) nursing courses.

***PART B: Request to Enroll in the 1st Degree Nursing Program Junior-Level Courses
beginning Fall, 2010***

Those students accepted to the University who have or will have completed the prerequisite courses prior to the upcoming fall semester and are requesting to begin junior-level nursing courses must complete this ***Request to Enroll*** form and submit it to the Department of Nursing prior to **February 15th**. Furthermore, it is preferred that applicants wait until completion of any coursework in the recent fall semester or winter term be completed and noted as such prior to submission.

IMPORTANT: All applicants, both current/native and transfer students, are required to complete the **Evolve Reach Admission Assessment Exam (A2)** available at designated testing centers **between November 1st and February 15th**. This test is available by appointment and must be scheduled well in advance. For more information about registration & scheduling, please refer to SU Nursing Department website/Admissions.

Check which applies:

_____ Current/native SU student requesting to begin the junior-level nursing curriculum

_____ Transfer student requesting admission to begin the junior nursing curriculum

Admission to the SU nursing program is competitive. All applicants will be evaluated based on their overall academic record at SU and/or transfer institution(s) with emphasis on grades in required science and support courses and test scores, where applicable.

All students reviewed will receive written confirmation of their status by **April 1st** (accepted, denied, or placed on waiting list).

Name: _____

SS#: _____ SU ID#: _____
