Please indicate your desired program:

_____ RN to BS

_____ RN to MS

_____ Second Degree (for RN's with a bachelor's degree in another field)

Admission Requirements:

- 1) Prospective students must apply both to Salisbury University for admission to the UNDERGRADUATE program and to the Department of Nursing for admission to one of the RN programs. RNs who intend to follow the RN to MS program can NOT apply for Graduate admission until they have completed ALL undergraduate courses. They may then apply for Graduate Program Admission.
- 2) Official transcripts from any university/college attended should be submitted to the Department of Nursing. The Department will be responsible for forwarding them to the Admissions Office of the University for University admission.
- 3) The following documents should also be submitted to the Department of Nursing:
 - A 1-2 page narrative describing academic and professional goals
 - A current curriculum vitae/resume
 - Evidence of current unencumbered RN licensure in the State of Maryland or a compact state
 - Two professional references (form on Department of Nursing website).
- 4) Students applying to the RN to MS program will be admitted as undergraduate students initially and will apply for the graduate program after completion of 12 of the 18 required nursing credits.
- 5) Once all documents are submitted, applicants should make an appointment with Dr. William Campbell, RN Student Advisor in the Department of Nursing to plan for completion of indicated program. He can be reached at 410 543 6414 or at wtcampbell@salisbury.edu
