Instructions for Applying for the Individualized Track

1. First you must meet with the Advising Services Coordinator to discuss your plan and options.
2. Then you must write a letter to the Perdue School of Business Associate Dean. In the letter, you must state why you wish to do the individualized track rather than an already established major/concentration/track.
3. You must include in the letter a list of the 300/400-level Perdue School courses that you would like to use toward the INDV track. One course must be ACCT 302 or FINA 440 or MKTG 335. It is wise to list more than six courses, in case the Associate Dean does not approve one or several in the list.
4. You need to submit the letter prior to taking the courses you wish to use in the track; that is, you can not take a series of courses and then back into the track.
5. Once the Associate Dean has approved your request, you will be told what courses will be used. You will be required to make a follow up appointment with the Advising Services Coordinator after completing the approval process.
