Information Systems Policies & Procedures

1. A student with an intended Information Systems major will be classified in a pre-professional track until the student has applied to and been accepted in the Information Systems BS major.
2. Majors must submit applications for admission to the Professional Program. No Information Systems student will be allowed to remain in 300/400 level Perdue School courses if s/he has not submitted this application.
3. All business courses need to be completed with a “C” grade or higher.
4. Lower division core, upper division core, major, and special requirements may be repeated only once. Students desiring to repeat an SU course to improve a grade must repeat that course at SU.
5. Track courses are to be taken at SU. A maximum of 6 credit hours of comparable courses may be approved if taken at AACSB (Association to Advance Collegiate Schools of Business) accredited schools.
6. Information course offering schedule may be found online at http://www.salisbury.edu/InfoSys/degree/default.
7. For Additional Policies and Procedures: Please refer to the Salisbury University Catalog, under the Information Systems section.
