When you spread your gift to SU over five years and consider quarterly payments, it is more affordable than you think. Many employers will match yearly annual contributions so this amount could be cut in half!

**For example:**
$15,000 overall gift spread over 5 years = $750 per quarter

Naming opportunities still exist for SU’s extraordinary, new Perdue School of Business building:

- **Perdue Building** ........................................ $8 million (NAMED)
