REASONS TO GET ENGAGED
With SU’s Alumni Association

5. Networking Opportunities
Getting involved helps you expand your professional network. This will help you with career assistance, career advancement, and access to hire the best and brightest students that SU has to offer.

4. Just for Fun
Staying active with the Alumni Association will give you the inside track to fun and family-friendly events such as Homecoming Weekend, cultural events held on campus and alumni gatherings that occur in your area.

3. National Rankings
Alumni engagement is one of the measures used when ranking Universities by various organizations. Engagement can increase the value and prestige of your degree, benefitting not only your alma mater but you as a graduate.

2. Reuniting with Friends
By attending events and connecting with the Alumni Association, you will see familiar faces or create new relationships with fellow graduates.

1. Sea Gull Pride
Salisbury University doesn’t just represent your degree, but the experiences you had, the connections you made and your personal growth. Stay in touch with the Alumni Office so we can celebrate your success both personally and professionally! #SeaGullsforlife
