

# GOOD NEIGHBORS GRADUATE SCHOLARSHIP

The Good Neighbors Graduate Scholarship allows eligible students to enroll in graduate programs at Salisbury University (and its satellite locations) and apply for support to cover a portion of the non-resident graduate tuition at Salisbury University. Recipients of the Good Neighbors Graduate Scholarship will receive a discount equal to 75% of the difference between the graduate program's resident and non-resident tuition rate per semester credit hour. This discount is only valid for students currently residing in contiguous counties to Salisbury University's main campus or satellite location. This discount does not apply to online courses. All participants are still responsible for mandatory fees.

**Terms and Conditions:**

1. Applicants must be registered for the semester for which they are applying for the scholarship. Returning students must be in good academic standing.
2. Degree-seeking students can receive the scholarship for the total number of hours necessary to complete the degree program. Only under extreme circumstances will a student be allowed to receive the scholarship for hours exceeding their degree checklist.
3. Non-degree seeking graduate students can receive the scholarship for up to nine total hours.
4. Eligibility is based on home county residence. To qualify, applicants must live within a contiguous county of the location offering the graduate program. This residency must be verified by providing either a driver's license or state tax return and one of the following acceptable documents: utility bill (mobile, electric, phone, water) or financial (credit card bill, bank statement).
5. Applicants must submit a new application each semester. Deadline for consideration is last day of add/drop.
