## Achieve Your Professional Goals

The Salisbury University Eastern Shore satellite social work programs are designed with the working professional in mind. Features of the program include:

- **Two convenient locations** allow you to complete the program in your own back yard.
- Flexible scheduling accommodates **working adults**.
- **It's quick**—you can earn the B.A.S.W. in less than two years and the M.S.W. in as little as 18 months.
- The program's cohort design fosters a **learning community of colleagues** in your region for collaboration and support as you earn your degree and beyond.
- SU's B.A.S.W. and M.S.W. programs are among the **most affordable** programs of their kind in Maryland.

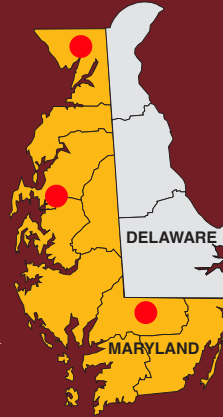

- **For employers**, the programs provide the ideal opportunity for your employees to earn the degree they need to improve your services quickly and conveniently.

- Field placements are available in a variety of settings in your own area and may be **tailored to meet your professional goals**.

## Bringing Higher Education To You

Salisbury University has created partnerships with Cecil Community College and the Eastern Shore Higher Education Center at Chesapeake College to offer its B.A.S.W. and M.S.W. programs all across the Shore. SU guarantees the transfer of all courses completed at the community colleges. Using the latest technology, students at the two satellite locations have face-to-face, fully interactive, live video and online instruction from SU's professional and accomplished faculty. This unique program allows you to complete all components of your program in your own area—from course registration to advising to field placements.

## Which Program Is For You?

Both of SU's undergraduate and graduate social work programs are fully accredited by the Council of Social Work Education—a must for earning your licensure.

- The **Bachelor of Arts in Social Work Program** is for you if you have an associate's degree or 60 credits toward a bachelor's degree.
- The **Master of Social Work Program** is for you if you have earned a bachelor's degree, with a minimum 3.0 GPA, from an accredited college or university in the last five years. If you have a bachelor's degree in social work, you may be eligible for an advanced-standing program beginning summer 2008.
