3. _____

All courses completed for the major in Elementary Education must be completed with grades of C or better. For PTEP admission, the checklist GPA must be at least 2.75.

Students admitted to the Professional Teacher Education Program must apply to student teaching by the announced deadline, have no grade below C in all education department professional courses, and have a minimum GPA of 2.75 in professional program courses. After completion of the professional coursework, students will be required to complete their student teaching at an approved Salisbury University Regional Professional Development School.
