### UNIVERSITY POLICIES
- Refer to the SU catalog for approved prerequisites and General Education courses.
- Requirements may not equal 120 credit hours. Students must register for additional electives to complete 120 credits required for graduation.
- All graduates must have a minimum of 30 credits of 300/400-level courses with C grade or above; at least 1.5 of these credits must be taken at SU.
- Students must have a minimum cumulative GPA of 2.0 for graduation.
- Students must complete at least 30 credit hours by direct classroom instruction and/or laboratory experience.
- Students must take 30 of the last 37 credit hours at SU.
- It is the student’s responsibility to satisfy graduation requirements. Please refer to the SU catalog for detailed major requirements.
- Students must apply online for graduation by November 15 for May and by May 15 for December.
- It is the student's responsibility to satisfy graduation requirements.

### MAJOR REQUIREMENTS
- Have at least a C average in the math and science courses required by the major.
- Transfer students are required to complete at least 15 hours in chemistry at SU.
- Completion of SU requirements does not guarantee admission into a pharmacy or graduate program.
- After successful completion of the first year of study at the University of Maryland School of Pharmacy (Baltimore or Shady Grove campus), and if all other SU requirements have been met, the student receives the baccalaureate degree in chemistry from Salisbury University.
- Students are responsible for ensuring that they complete all of the requirements for pharmacy school, which may include additional courses beyond those outlined above. However, completion of the above requirements and the requirements for pharmacy school does not guarantee admission to pharmacy school.
- A curriculum guide outlining a suggested sequence of courses for the major is available on the Chemistry Department website.
