

## Sean Carter

**Position, Company:** Lead Financial Analyst, Lumen Technologies

Sean Carter is a Lead Financial Analyst at Lumen Technologies, where he maintains executive level financial consolidated reporting. Currently, he is working on financial reporting for a \$5.6 billion divestiture of the Mass Markets business to AT&T. His expertise includes corporate financial planning and analysis, budgeting, modeling, accounting/GAAP, and process improvement/automation.

A native of Maryland, Sean earned his Bachelor's degree in Finance with a Corporate Finance track and a minor in Accounting from Salisbury University in 2014, and a Master's in Finance from Loyola University in 2019. Outside of his corporate responsibilities, he manages a real estate rental business, is an active weightlifter, and enjoys spending time with friends and family. Sean brings this combination of professional experience and entrepreneurial spirit to his role as co-chair of the Career Advisory Board to help guide the next generation of professionals.
