

CELEBRATING 35 YEARS  
**BEACON**  
Business Economic and Community Outreach Network  
At Salisbury University

BEACON is currently seeking candidates for a **Business Honors Research Fellowship** for academic year 2025 – 26. The Business, Economic, and Community Outreach Network (BEACON) is the applied research and consulting arm of the Perdue School of Business.

The Business Honors Research Fellow will work on sponsored research projects for regional clients from the private, public, and non-profit sectors. Examples of BEACON projects include feasibility studies, marketing audits and plans, strategic plans, resource allocation modeling, economic impact models, program evaluations, and web-based surveys.

BEACON seeks high-caliber applicants with the following skills and characteristics:

- Strong research abilities
- Exceptional written and verbal communication skills
- Outstanding organizational and time management skills
- Self-motivated and able to work independently
- Effective team player
- Proficient in Microsoft Office, with advanced computer skills; knowledge of additional software is a plus.

The BEACON Business Honors Fellow will have opportunities to interact with leaders from a wide range of industries and network at events throughout Maryland.

This is a paid position and available only for Honors College students. The position is for a minimum ten (10) hours per week, with the opportunity for additional hours. Students will also be eligible for winter semester and summer work. This position provides excellent opportunities for the hands-on application of your classroom learning.

To inquire about an internship opportunity at BEACON, please email your resume and cover letter to [beacon@salisbury.edu](mailto:beacon@salisbury.edu). In the subject line please be sure to include the following: **“BEACON Business Honors.”**
