

Learn, Grow, LEAD!

Develop your leadership and outdoor/environmental education skills by serving as an **Experiential Education Facilitator** at the Princeton-Blairstown Center; located in the heart of the Delaware Water Gap National Recreation Area.

April 4 - November 18, 2022

(Wilderness First Responder training available from March 27-April 3 if interested)

- Lead participants safely through the Princeton-Blairstown Center's adventure-based environmental and experiential education curriculum.
- Build life skills in youth from historically marginalized communities through social emotional learning activities.
- Earn certifications: American Red Cross First Aid/Lifeguard/CPR/AED, Association for Challenge Course Technology Level I or II.
- Total compensation includes:
 - Salary \$600 - \$650 per week.
 - Room and board in shared, renovated two-bedroom apartment (valued ~\$340 per week), and three weeks of training.
