

# THANK YOU for collaborating with an Elementary Education with a DUAL Certification in Early Childhood BLOCK D intern

## Intern Description:

Interns taking Block D courses are typically seniors, and are in their fourth semester and final year of the Professional Teacher Education Program. They are in the first phase of their internship, which is referred to as Internship I. Mentor teachers need to be tenured to work with interns in Block D courses, and should be teaching math, science, and social studies.

## Education Courses Your Intern Has Taken:

- *EDFN 210: School in a Diverse Society*
- *ECED 251: Collaboration & Cooperation in Early Childhood Communities*
- *ELED 301: Diversity in Education*
- *ELED 350: Literature for Children*  
(or completion of an AAT degree)
- *ECED 352: Integrated Reading & Lang. Arts Birth-4*
- *ECED 356: Play & Creativity in Early Child. Educ.*
- *ECED 366: Integrating Early Childhood Curriculum*
- *ELED 305: Learning & Assessment for Diverse Classrooms*
- *ELED 317: Integrating Aesthetic Experiences into Teaching & Learning*
- *ELED 318: Technology in Education*
- *ELED 320: Teaching Diverse Learners*
- *ELED 330: Integrated Rdg. & Lang. Arts - Grades 3-6*
- *ELED 340: Building Classroom Community*

## Education Courses Your Intern is Taking:

- *ELED 403: Teaching Science in Elementary Classrooms - 37.5 hours*
- *ELED 405: Teaching Social Studies in Elementary Classrooms - 37.5 hours*
- *ELED 406: Teaching Mathematics in Elementary Classrooms - 37.5 hours*
- *ELED 410: Literacy Assessment & Intervention*  
(this course may be taken in summer or winter)

## Course Requirements:

You should receive information regarding course requirements from SU instructors. Mentor teachers and interns are asked to co-plan and co-teach lessons.

## Clinical Practice Experience Time Requirements:

Interns enrolled in Block D courses are required to be in their placement for a minimum of **112.5 hours** through weekly visits, as well as the **consecutive weeks** mid-semester. Mentor teachers will be asked to evaluate their performance through an online form.

## Clinical Practice Experiences:

As the focus of this internship, interns are required to teach inquiry-based lessons in math, science, and social studies, which need to align with the scope and sequence being taught. Beyond participating in math, science, and social studies instruction, interns are encouraged to attend school meetings and events with their mentor teachers.

## Support for Mentor Teachers:

**Course Instructors:** The Seidel School of Education highly values partnerships between SU and public schools to prepare future teachers. Course instructors want to hear from, and collaborate with, mentor teachers.

**SU's Regional Professional Development Schools Network:** Each PDS has a site coordinator on its staff and a University liaison dedicated to the school. These individuals are willing and able to support mentor teachers and interns throughout this experience.

**Professional Dispositions Clinical Practice Report:** If mentor teachers have concerns regarding their interns' professional dispositions, they are encouraged to complete this form to share this information with the Clinical Practice Manager, Jessica Patton.
