

Gender Affirming Care: INFORMED CONSENT, LETTER WRITING & CLINICAL CONSIDERATIONS WORKSHOP

**FREE and
Open to
Everyone!**

TUESDAY, MARCH 4, 2025 ▪ 5:30 P.M.

Virtual Event

Noah Duckett, LCSW

This workshop equips mental health professionals with key strategies for providing gender-affirming care. Participants will learn how to offer empowering support to transgender clients, explore implementation of informed consent, the structure of a WPATH assessment and the process for writing a surgical readiness letter. Participants leave with practical tools to enhance their ability to provide inclusive, client-centered care.
